

Linthwaite Clough JI & EY School Pupil Premium Statement

The Government has used pupils entitled to Free School meals, currently and previously, as an indicator for deprivation and have given a fixed amount of money to schools per pupil based on this information .

At Linthwaite we will be using the indicator of those eligible and those in Local Authority Care as our target children to narrow the gap regarding attainment.

Linthwaite Clough JI & EY School recognises that all children should have equal access to a curriculum which will enable them to reach their potential. Pupil Premium (PP) is allocated for each academic year by calculating 7/12ths of current financial year + 5/12ths of next financial year (est)
