

Use music  
to make  
art!

Before you start the music listening activity, set out some simple drawing or painting materials on a nearby work surface. Paper + markers, coloured pencils, crayons, pastels, watercolour paints; whatever you have available!

Listen to your favourite music! How does it make feel? What images go through your head?

The aspects of music to note are infinite— instruments, tones, feelings evoked by the music, dynamics, or things that the music reminds you of!

Create your art work!

What colours did the music make you think of? Does it create make create smooth and flowing or short and choppy, loud or soft art!

Do your lines or marks follow the flow or feel of the music?
