Read independently or share a book every day

We would love to see the work that you are completing throughout the week so please continue to email your work to year.3.4@linthwaiteclough.co.uk

Having a structure and routine for each day is very important and it will help keep your brains and bodies active! Here is a suggestion of how you might choose to organise your home learning each day.

8.30-9	Good morning! Get up, dressed and have breakfast
9-9.30	Keep Active! PE with Joe Wicks
10 - 10.30	Spag Practice your spelling words (link is on the school website) or complete the Spag activity in the pack.
10.30 -11	Get some fresh air: play in the garden or work on your science activities Check out the school website for other ideas on outdoor learning
11-12	Maths Complete your year group work on fractions and decimals
12-1	Lunch Have lunch and relax!
1-2	Awesome English Complete one of the writing tasks
2-3	CCL Work on the Geography task using Digimaps History - research your local area Art - DT - STEAM Look on the school website for other science and STEM ideas

Remember if you need any support with this week's home learning please do not hesitate to contact us.

Stay safe everyone!
