

Art

What unexpected things would you put together?
How about drawing a tree wearing a scarf or a squirrel with a monocle?

In art we would like you to have a look at the work of artists who have created some of the most amazing pieces of artwork by drawing the most unusual things together.

These artists are known as Surrealists.

Create your own surrealist story.

Your surreal adventure will begin with some very weird artworks which will hopefully give you some ideas.

You can then use our Surreal Story download to invent a strange character, write an odd story (which can be as peculiar as you like) and create a dreamlike landscape to explore.
